Bakalář Dry Hopped non-alcoholic lager Less than 0.5% Alcohol

Tradiční Pivovar v Rakovníku is one of the few independent traditional breweries in the Czech Republic. It brews its beers according to the traditional double-mashed technology.

Bakalář Dry Hopped non-alcoholic lager is **the only cold hopped non-alcoholic lager**. Its flavour is accentuated by the hop aroma which gives it an unmistakable and irreplaceable aroma and taste to this non-alcoholic beer.

Their master brewers use only the highest quality raw materials of Czech origin namely, Czech malts, Saaz hops and water from their own deep artesian wells.

The beers have the right to mark its products with the protected geographical indication of Czech beer. In 2016 Bakalář non-alcoholic lager again won the title **Beer of the Czech Republic**.

Bakalář Dry Hopped non-alcoholic lager contains 24 calories per 100ml serve and less than 0.5% ABV. They are sold in 330ml bottles in cases of 24 bottles.
