

ALCOHOL-FREE RED WINE VEGAN

soft & fruity

VEGAN

TASTING NOTE

Our alcohol-free red wine VEGAN impresses in the glass with a sparkling radiant, rich red color, partially going into the cardinal red. In terms of taste, the alcohol-free wine is characterized by a full-bodied, voluptuous style, while its aroma initially resembles the taste of cherries and currants in the foreground, with flavors of fresh forest berries in the background.

The wine is supported in its deep mineral structure and mouth filling pleasantly velvety soft tannins and thus shows an almost southern Mediterranean character.

A spicy, balanced acidity-sweetness makes the wine refreshing, lively and appetizing.
