

Schloss Eggenberg Freibier alkoholfrei pilsner less than 0.5% alcohol

From the historic Upper North region of Austria in Vorchdorf comes Brauerei Schloss Eggenberg “the soul of exceptional beers” since 1681. Schloss Eggenberg Freibier is Austria’s first non-alcoholic beer.

This non-alcoholic pilsner has a golden colour with a medium body and a pleasant light bitterness and a great aftertaste. It has an aroma that is light and grainy and pours with a light head.

Eggenberg uses only the purest raw materials from Austria. Water is from its own wells and, the highest quality barley and hops from the northern part of Austria. Freibier is not dealcoholized but fermented with a special yeast which produces less than 0.4% alcohol during fermentation.

Winner: Gold medal - Non-Alcoholic Beer (Bottom Fermented) 2017, European Beer Star awards, Germany.

Schloss Eggenberg Freibier contains 22 kilo calories and 4.5 carbs per 100ml serve. It is sold in 330ml bottles in cases of 24 bottles in 4x6 packs.
