

Natureo Premium Rosé De-alcoholised Wine Less than 0.5% alcohol

Natureo Rosé has a bright glossy cherry-red colour and aromas of fruits of the forest and red liquorice. In the mouth it has a fresh and happy fruity flavour and a long after taste.

Natureo Rosé Rose is made from **Shiraz and Cabernet Sauvignon** grapes fermented in stainless steel vats under controlled temperature.

The **Natureo** range of premium **non-alcoholic** wines comes from **Bodegas Torres SA**, one of Spain's largest and most respected wineries. This winery as founded in 1870 and is located in the historical wine growing area of Penedès in the Catalonia region near Barcelona. Using an innovative **alcohol extraction system**, the winemaker has been able to retain the aromas of the grapes, antioxidants, vitamins and mineral salts without the alcohol.
